

Services

Community or Agent Spotlights / Online Video Introduction

Introduce yourself, your brokerage, your town or a new neighborhood to your website viewers. Spotlights provide you with the ability to provide detailed information in a way that captivates and entertains your audience.

Why wait for someone to visit a particular community in order to get them excited about becoming a part of it? Agent video introductions allow your web visitors to get to know you personally before you even meet.

Real Estate Video Tour / Listing Video

Take a look at what we include with our listing videos:

Praxis Universal Productions

With the advent of online real estate listings, consumers demand more than a few photos or a virtual tour. Nothing is more effective than highlighting your property with a full motion HD video tour.

As a Real Estate agent, time is your most valuable asset. Praxis Universal provides you with all the tools necessary to ensure that your most valuable asset is managed efficiently and effectively. A video tour is the most effective way for you to pre-qualify a potential buyer.
